Correction to: Ornamental Plant Research <https://doi.org/10.48130/opr-0026-0017>, published online July 14, 2026.

Since the publication of this article, the authors have identified an error in Figure 2 of the published version. In the parentage label, the cross was incorrectly given as "*Bougainvillea peruviana* × *Bougainvillea peruviana*".

The correct parentage should be "*Bougainvillea peruviana* × *Bougainvillea glabra*". The figure has been corrected accordingly.

The authors would like to apologize for this error.

The original article has been corrected in the HTML and PDF versions.
