

Publisher Correction: Article number corrections for three papers published in the journal of Vegetable Research

Maximum Academic Press

Correction to: *Vegetable Research*, <https://doi.org/10.48130/vegres-0025-0015>, published online 10 June 2025; <https://doi.org/10.48130/vegres-0025-0014>, published online 13 June 2025; <https://doi.org/10.48130/vegres-0025-0009>, published online 24 June 2025.

Following the publication of articles in *Vegetable Research* in June 2025, the publisher identified some errors in article numbers. Corrections have been made as follows.

1. Article title: Genome-wide identification, evolution and expression analysis of the *PP2C* gene family in ice plant

doi: <https://doi.org/10.48130/vegres-0025-0015>

Article number should be e019, not e016.

2. Article title: QTL mapping for petiole shape in non-heading Chinese cabbage

doi: <https://doi.org/10.48130/vegres-0025-0014>

Article number should be e020, not e017.

3. Article title: *SISAMS1* improves carbon and nitrogen metabolism in tomato under salt stress

doi: <https://doi.org/10.48130/vegres-0025-0009>

Article number should be e021, not e018.

The publisher sincerely apologizes for these errors. The corrected versions of the articles (HTML and PDF) have been updated accordingly.
